**Childtime of Gaithersburg to Offer Private Kindergarten
for Local Families**

GAITHERSBURG, Md., September 10, 2010 – Childtime Learning Center – a leader in early education and child care – is excited to announce that it will begin offering a Private Kindergarten class for local families. The school is located at 1199 Quince Orchard Blvd. in Gaithersburg.

The all-day kindergarten program will run from 9:00 a.m. until 3:00 p.m. and will begin on September 20th, 2010. The class will meet – if not exceed – all state requirements for kindergarten, with a strong focus on mathematics and literacy skills. The teacher has all of the necessary state credentials and has more than 20 years of experience.

This Private Kindergarten will benefit children who thrive in a smaller learning environment, as the class is only open to 15 students. Children will receive more individualized attention and teachers can focus on the unique needs of each student.

The school will also be hosting a Private Kindergarten Open House on September 15th from 5:00 p.m. until 7:00 p.m.. This event is open to local families who are interested in learning more about the program. Parents will have the opportunity to ask questions about the curriculum, state standards and participate in a hands-on activity with their child.

“We are truly excited to begin offering our Private Kindergarten program, which was designed to introduce children to a formal education, while still encouraging exploration and discovery in a small, safe environment,” said Jaime Bowen, center director. “Further, it is a great option for working parents because the children can come in early and stay later as part of our before and after-school program ... so families get their school and child care needs in one place!”

Childtime of Gaithersburg is currently accepting enrollments for its Private Kindergarten, however, space is limited. For more information or to schedule a tour, please call 301-948-2556.
