

INDEPENDENT LEARNING

Interacting with learning materials, teachers, and peers.

REST TIME

This peaceful time is important for children's emotional, mental, and physical health.

BREAKFAST AND LUNCH

Children learn social skills and table manners through family-style dining.

SMALL-GROUP ACTIVITIES

Teachers lead activities with small groups of children, targeting skills that they are ready to learn.

LARGE-GROUP ACTIVITIES

*Songs, stories, games, even dancing!
The teacher leads the entire class in collaborative experiences.*

SNACKS

Healthy and nutritious snacks are provided between meals to nurture growing bodies.

STORY TIMES

Teachers lead active and engaging story times throughout the day.

OUTSIDE TIME

Children develop large-muscle and social skills through time spent exercising in fresh air.
